

Central Agricultural Fair 2016

Taking into consideration the possibilities of utilization of the Polish government's loans, European Union's Emergency Trust Fund for Africa and other Financial Support Programs developed by the international organizations, we invite all foreign entrepreneurs interested in establishment trade or/and investments, joint-venture cooperation with the polish producers of agriculture equipment, tractors, fertilizers, storage equipment to participate in **the International Central Agriculture Fair from 25th-27th November 2016 in the Ptak Warsaw Expo.** For all our foreign visitors we organize tailored B2B meetings with individual exhibitors and institutions responsible for distributions of grants for international business cooperation.

Central Agricultural Fair - CAF 2016 organized under the patronage of the Polish Ministry of Agriculture and Rural Development and Ministry of Development is a new formula of meetings, during which mainly Polish entrepreneurs of broadly understood agricultural and food production industry, including food manufacturers, will present to their domestic and foreign partners their achievements and possibilities of trade and investment cooperation. Innovations, new products and technologies, as well as services for agriculture, will be presented on nearly 700 thousands square meters in three exhibition halls of the modern exhibition and conference center - PTAK WARSAW EXPO.

Under CAF 2016 you will find six main section of exhibitions:

The Salon of Agricultural Equipment –with the latest machinery and equipment used in agriculture, horticulture, animal breeding and crop production, such as tractors, combines, plows, seeders, fertilizer spreaders, field and orchard sprayers, utility services machines, shredders, foragers, manure spreaders, bale wrappers, forage harvesters and presses, the equipment for sheds and piggeries.

The Salon of Means of Agricultural Production –means of agricultural production, such as fertilizers, pesticides, feed and certified seed materials.

The Fair of Good Food – organized with cooperation with the leading organizations and self-administration authorities of farmers and individual entrepreneurs, section of the key's food export specialties including the sectors of dairy, fruit and vegetables, mushrooms, pork, beef, poultry.

The Salon of Specialized Services and Support for AGRO Industry –specialized financing and investment instruments, such as the offers of the state administration financial support for activities related to the development of agricultural production, processing and trade activities, including export instruments and offers of financing the activities of agribusiness institutions.

The Section of Innovation for the Agricultural and Food Industry –innovative technologies, products and solutions for the agricultural and food sector in a broad sense, in this section the cooperation offers will be presented by research institutions and establishments offering financial support instruments for the development of innovative business enterprises in the agricultural and food industry.

Exhibition of farm animals, poultry and ornamental birds presenting variety of animal species and birds bred in Poland. The centers of breeding animals and genetic material development will also demonstrate their offers in this section.

The fair will be accompanied by exhibition of farm animals and ornamental birds, during which the visitors will have the opportunity to get to know the variety of animal species and birds bred in Poland. The center of breeding animals and genetic material development will also demonstrate their offers in this section.

In cooperation with our honorary patrons – Ministry of Agriculture and Rural Development, Ministry of Development and the Marshall of the Mazowieckie Voivodship as well as branch partners from agricultural organizations and state administration, we are organizing numerous conferences and panel discussions dedicated to the possibility of the development of foreign cooperation with Polish entrepreneurs and the development of innovative activities in agricultural and food production sector.

If you are interested in finding reliable partners for cooperation, financial support for developing international relations, please fulfill the enclosed participation form.
